

YONKERS' 10G PICK 5 GUARANTEE BEGINS MONDAY NIGHT
BY FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway

YONKERS, NY, Friday, June 7, 2019—Yonkers Raceway' Pick 5 guarantee goes into effect Monday night (June 10th).

As part of the U.S. Trotting Association's Strategic Wagering Program and with the approval of the New York State Gaming Commission, a minimum \$10,000 pot is available every Monday, Tuesday and Thursday evening.

Should the sequence go unhit, the current 'instant guarantee' remains leading to the next racing program.

The Pick 5 is a 50-cent base wager comprising either races 6 through 10 (10-race card) or 7 through 11 (more than 10-race card). It has no consolation payoff, hence the shot at an 'instant guarantee'.

Monday's Pick 5 program pages accompany this release.
