

YONKERS' PICK 5 VAULTED OVER FIRST GUARANTEE MONDAY NIGHT
BY FRANK DRUCKER, Publicity Director, Empire City @ Yonkers Raceway

YONKERS, NY, Monday, June 10, 2019—Yonkers Raceway' Pick 5 guarantee went into effect Monday night (June 10th).

As part of the U.S. Trotting Association's Strategic Wagering Program and with the approval of the New York State Gaming Commission, a minimum \$10,000 pot is available every Monday, Tuesday and Thursday evening.

The pool total—\$13,685—easily eclipsed that number, despite the races contested with limited visibility due to persistent wind, rain and fog.

The phrase that pays was 5/4/6/7/8, returning \$446,25 for every correct half-a-buck wager.

The Pick 5 is a 50-cent base wager comprising either races 6 through 10 (10-race card) or 7 through 11 (more than 10-race card). It has no consolation payoff.

Monday was also a season-high superfecta in the overflow-field eighth race, with a combination of 4/5/10/7 paying \$62,450 (base \$2 payout, 10-cent ticket worth \$3,122.50).
